

## Home Activity

### Being a Helper

- Find a way your child can help you with your work (“Can you get me the big blue container out of the cupboard?” or “Can you hand me the big spoon?”)
- Some other examples of things that your child can help you with are:

Cooking

Cleaning

Washing the table off after dinner

Taking things out that you need

Putting things you don't need away

Picking out clothes for school

Picking out books to read together at night

- Please take some time to do this activity together with your child.
- Complete and return to your child's teacher.
